Dear Councilman,

I would like to extend a personal invitation for you to attend a very special Veterans Day event at 6:00PM on Tuesday, November 11, 2014 at Braxton Perkins Post 25 American Legion (7609 Marshall Ave. Newport News, VA 23606) for the premier screening of a documentary I created for my Eagle Scout project and the Virginia War Museum, which includes highlights of the interviews I conducted with 30 WWII veterans in Hampton Roads. It has been an awesome experience interviewing veterans from all branches of services who served in the war.

I need to know if you are coming so that I can make arrangements for seating for special guests. Please respond by e-mail or phone by October 11.

Sincerely,

Mitchell Woods
