Newport News Public Schools

June 6, 2015

Dear Graduating Class of 2015,

Congratulations on your successful completion of high school. You have given your best and it has finally paid off, thus allowing you to march across the stage with your heads held high and the world awaiting the impact of your knowledge, creativity, and youthful vigor. You have persevered through many obstacles: the pressures of tests and exams, the meeting of deadlines, the grueling pressures of SOLs, AP, and IB exams, and you are still standing tall and undefeated. Your success is a testament to your will and strength, for you are a class of distinction and all that you have learned has prepared you to be life-long learners who will set the world on fire.

I am especially proud as you are my first graduating class as principal of Warwick High School. I have personally witnessed your growth from bright-eyed freshmen to confident seniors. I have experienced your enthusiasm in pep rallies; your creative genius in the Warwick coffee houses, choir and drama productions; your athletic prowess in the many sports you have played; your attentiveness in town hall meetings; and your contributions to changing the culture at Warwick High School. It has been your input, your thoughtfulness concerning the betterment of your school, and your continuous drive that has not only inspired the underclassmen, but has inspired the faculty and staff of Warwick High School as well. You make us all want to give more of ourselves, to be better than we were the day before, and to foster and promote change that will be for the betterment of everyone who walks through our front doors. You are a phenomenal group of individuals.

It is my hope and desire that you will continue to work hard, accept challenges and not allow them to defeat you, voice your opinion and work to promote change that will make the world a better place, and never forget whence you have come. Remember that you will always be a part of the Raider family; therefore, there is nothing in this world you cannot accomplish if you just put your mind to it and give it your all. Go forth into the world and show what Warwick Raiders are made of.

Congratulations and Best Wishes,

Anthony K. Frazier
