GRIN AND GROW LEARNING GARDEN

COMMUNITY DAY
next to the **Riverview Farm Park
Playground**
1pm - 4pm

Come join the VCE Newport News Master Gardeners on Sunday, July 17, for an afternoon of fun and learning in the Grin and Grow Learning Garden.

Activities for children of all ages will be led by MasterGardeners.

Monday, July 11, 2016

Dear Councilwoman Dr. Woodbury,

We are sorry our Rededication Ceremony was scheduled at a time that conflicted with the important work of City Council.

In celebration of three years of work recently completed to revitalize the Grin and Grow Learning Garden, we are hosting a Community Day in the garden on Sunday, July 17, from 1-4 pm. We invite you to stop by, see our beautiful new garden signage with Braille labels, and enjoy watching families engage in the interactive programming we have designed.

VCE Master Gardeners will lead interdisciplinary activities including poetry writing, the science of plants, and garden mathematics. Our famous answer desk will be on site, offering ideas and solutions for any garden or landscape problem.

We look forward to seeing you in our city's Grin and Grow Learning Garden in Riverview Farm Park this Sunday.

With appreciation,

Janet

Your VCE Newport News Master Gardeners

Janet Hirshman Rash
Grin and Grow Learning Co-chairperson

*Hope you can
stop by!*
