Dear Newport-News City Council,

Lidl would like to send a very warm welcome to councilmembers to attend our Ribbon Cutting Ceremony. We are excited to come to the Newport-News community and would love if you would take part in this momentous occasion.

Below, please find some details about our event.

The Newport News Ribbon Cutting event will take place at **11076 Warwick Blvd.** The Ribbon Cutting ceremony will take place at approximately 7:40 a.m. After stakeholders say a few words about our opening and the community, the ribbon will be cut at about 8 a.m. and invite customers into our brand new store.

We invite you and any other community members you may invite to attend our activities, which will continue throughout the morning.

Feel free to arrive as early as 7 a.m. Lidl communications personnel may be able to offer a pre-ceremony tour – dependent on media interest and demands. Myself (Aaron Kendeall) will be the day-of contact, and he can be reached at [aaron.kendeall@lidl.us](mailto:aaron.kendeall@lidl.us) or 571-458-6915.

Please do not hesitate to reach out with any addition questions or comments.

Sincerely,

Aaron J. Kendeall
