# OUR MISSION

We will develop responsible, respectful citizens ready for an interconnected, interdependent world because they are knowledgeable of global relationships and how they impact our lives.

## OUTCOMES

Ability to think globally and locally

Multi-Cultural awareness & tolerance

Knowledge of age appropriate current events

Early bilingual development (Spanish)

Geographic and geo-literate knowledge

Ability to communicate effectively in a range of situations

Balanced, creative, respectful, and caring individuals

Our school was dedicated to David A. Dutrow on April 25, 1975.  
We are celebrating over 40 years of excellence!
